

water for wellness

# WS BIO-SURE+ FILTER

**THIS INDUSTRY-LEADING WATER PURIFICATION SYSTEM ADDS OVER 20 ADDITIONAL MINERALS INTO YOUR DRINKING WATER.**

## RESTRUCTURING THE WATER

The Bio-Sure+ uses Far Infrared Ray Technology (FIR) through Quartz and Tourmaline to add a charge to the water.

## ADDED ELECTROLYTES

Over 20 minerals added to promote high electrolyte water energy.

## ALKALINITY BOOST

A mineral that the body needs to maintain strong bones & perform important functions.

## SANITIZATION

The water is sanitized through using SafeTouch technology which utilizes silver ions to inhibit the growth of bacteria in the water.

# WS BIO-SURE+ FILTER: ADDED MINERALS

## CORAL SAND

Coral sand changes the acidic nature of water to a more alkaline state and promotes more energy and quicker healing of injury.

## QUARTZ

Quartz is thought to be able to restructure water by providing an electrical (FIR) charge.

## CALCIUM & MAGNESIUM

The combination, often referred to as "hard water," is known to support against health risks such as gastric, colon, rectal cancer, and pancreatic cancer.

## ZEOLITE

Zeolite has a unique ion exchange capacity and provides a high level of immune support.

## SILVER IONS

Silver ions are naturally occurring elements and one of the most potent antimicrobials available.

## IRON

Essential for good health, iron helps transport oxygen in the blood.

## POTASSIUM

Potassium is one of the most important minerals in the body. It helps regulate fluid balance, muscle contractions and nerve signals.

## SODIUM

The human body needs sodium in order to maintain a healthy blood pressure, control fluid levels and for normal nerve and muscle function.

## ZINC

Zinc is an essential nutrient for body growth and development.

**IN TRACE AMOUNTS:** Hematite, Tourmaline, Negative Ions, Hydroxyapatite, Phosphorous, Zeo-Z1, Strontium, Barium, Chromium, Vanadium, Nickel, Cobalt, Copper, Aluminum, Lanthanum, Cerium, Niobium & Metasilicic Acid.
